Directions

In this test, you will read stories or articles and answer questions about what you have read. You may find some parts easy and you may find some parts difficult.

You will be asked to answer different types of questions. Some of the questions will be followed by four choices. You will choose the best answer and fill in the circle next to that answer. Example 1 shows this type of question.

Example 1

1. How many days are there in a week?

☐ A 2 days

☐ B 4 days

☒ C 7 days

☐ D 10 days

The circle next to “7 days” is filled in because there are 7 days in a week.

For some questions you will be asked to write your answers in the space provided in your booklet. Example 2 shows this kind of question.

Example 2

2. Where does the little boy go after he finds the book?

For questions like Example 2, you will see a  a  or a  next to it.

Example 3 shows a question with a  next to it.

Example 3

3. What makes the ending of the story both happy and sad? Use what you have read in the story to help you explain.

You will have 40 minutes to work in your test booklet and then we will take a short break. Then, you will work for another 40 minutes. Do your best to answer all the questions. If you cannot answer a question, move on to the next one.

Stop

Do not turn the page until you are told to do so.
